Has anyone told you God's Love is limited? Have you been told you were unloved by God? Then you need to read this book... AND you need to join our reading group to discuss it! We meet 5 times, discussing 2 chapters at each meeting. Groups will be held BOTH in the afternoon or evening, for your convenience.

You can get a hardback book for \$12.50 through the church office by signing up today, contacting the church office – 843-524-3461, or by registering at: www.SJBft.org/ReadingGroup

You can also purchase the book yourself in hardback or Kindle/Nook, online, but the price may be higher as the church is getting a volume discount ordering 20 at a time.

We do not want anyone to not read the book due to cost. If the price would be difficult, consider it our gift!
