

Lutheran Services Carolinas Angel Tree Christmas Gifts for Foster Children

St. John's is blessed to be able to provide Christmas gifts for foster children served by Lutheran Services Carolinas again this year. Gift requests will be available on Sunday, November 19, 2017. On that day, please select one or more ornaments and purchase gifts to share the Good News of Jesus' Love with these wonderful children!

Instructions:

1. Choose a numbered gift tag(s).
2. Write your name on the list next to the number which matches the number on your gift tag(s).
3. Purchase gift or gifts (there is generally more than one toy/clothing idea listed. Our target per TAG is \$25-45)
4. Wrap the gift and tape the tag to the gift – it is okay that the tag describes the gift – we will remove it after checking our lists (twice!)
5. Return the wrapped and tagged gift(s) to St. John's two weeks later, by Sunday, December 3, 2017 - SOONER if possible!
