

Your Help is Needed

Hurricane Relief

Given that floods are still rising and many roads are impassable, the best way to help with Hurricane Florence at this point is to make donations to organizations doing relief work which you trust.

These are organizations we trust and support:

- The SC Synod's "South Carolina Disaster Response" – our synod will be directing these funds to immediate South Carolina needs: https://tithe.ly/give_new/www/#/tithely/give-one-time/248915
- ELCA Lutheran Disaster Response – our national church supports ongoing Hurricane relief work: <https://community.elca.org/hurricane-relief>
- Lutheran Services Carolinas – the social service agency of the NC and SC Synods – write Hurricane Florence in the Comment box: <https://www.lscarolinas.net/how-you-can-help/donate-now/all-other-giving.aspx>
- The NC Synod – our sister synod will be heavily involved in hurricane and flood relief: <https://secure.accessacs.com/access/oqlogin.aspx?sn=96379>

If you choose to give through St. John's, simply make a check, cash, or online donation and clearly label it "Hurricane Relief." We will send it to one of these great organizations!
